

MobileBox[®]

Design R.Molteni

PATENT PENDING

The 2025/2026 italian school regulations forbid mobile phone use in classrooms, Mobilebox offers an immediate, practical answer:

A strong metal design built for quick installation

Allows safe storage for up to 30 smartphones

Each section is designed to hold a phone and can be locked with a personal padlock (available on request)

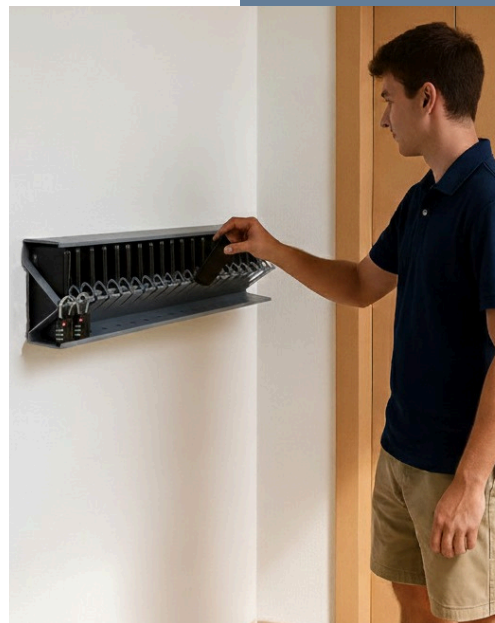

Dimensions: W 140 x D 10 x H 18 cm (with rounded corners)

Quick and easy installation with six wall anchors (not included)

Available in 6 standard colors and upon request with an additional fee, in any RAL color
